

# NASA OKSG Speedfest India Class 2020-2021 “Take-off” Event

## WHAT?

The NASA OKSG is hosting the Speedfest India Class 2021-2022 “Take Off educator event for both educators who have already registered a team in this year’s Speedfest and those who are considering the opportunity for the 2021-2022 school year. During this event, participating educators will learn the rules/requirements for Speedfest 2022, be immersed in the hands-on inquiry-based Speedfest Curriculum created by the NASA OKSG (designed to teach the concepts leading up to the plane build), have the opportunity to tour various OSU MAE labs/facilities, and receive plane kits. Those educators who participate in the “Take Off” event in its entirety, will have the opportunity to apply for grants which will provide their team with a transmitter/receiver and a joystick/RC airplane simulator software and will receive access to the Speedfest Curriculum. Lunch will be provided.

## WHEN?

Saturday, October 23rd, 2021 9AM to 5PM

## WHERE?

NASA OKSG STEM Engagement Center (SEC), Oklahoma State University Campus

## COST?

This is a **FREE** event! In addition, those educators who participate in the “Take Off” event in its entirety will have the opportunity to apply for grants which will provide their team with a transmitter/receiver and a joystick/RC airplane simulator software. In addition, participants will receive full access to the Speedfest Curriculum.
